Congratulations on your summer job experience — here's more! The Cities for Financial Empowerment Fund and Citi Foundation's **#SummerJobsConnect** is working with **Mayor Marion S. Barry's Youth Employment Program** to tell the world why experiences like yours are important, and how you're working to manage your money by getting paid through a bank or credit union account or a pay card.

Throughout the summer, share your answers to questions we'll ask over Twitter, Instagram, TikTok or email (sjc@cfefund.org) — just be sure to use the hashtag **#SummerJobsConnect** to win prizes like AirPods, iPads, or gift cards! And get creative!

We will select winners throughout the summer, so feel free to enter multiple times, and respond to these questions throughout your job experience.
